Let's explore

Tellagami

Create Speaking Avatar Videos

USING TELLAGAMI

STEPONE

Launch the Tellagami app and create a new 'Gami. Tap on the green CHARACTER button and customize your avatar.

STEPTWO

When your character is complete, tap the EMOTION button to select and emotion for your avatar.

STEPTHREE

Tap the BACKGROUND button to change your background. You can create your own, or use the built in options.

STEPFOUR

Add voice! Close the customizations menu by tapping on whatever menu button is active. Select RECORD to record your own voice, or TYPE to have your text read by the app.

STEPFIVE

Tap the SHARE button to save and/or share your 'Gami. You can save to the camera roll as a video, or share online.

AIRSERVER TIPS

'GAMIIDEAS

Have students create 'Gamis to retell a story. Create a 'Gami of a book character or famous figure. Create 'Gamis that list your homework and embed them in your class website. Create a 'Gami to review a lesson or give tips and hints for projects.
